

This Christmas, we are helping Julian House to support some of the most vulnerable people in the South West.

How your support helps:

£5 could buy a pair of new warm socks for someone sleeping rough during winter.

£10 could provide toys and children's clothes at one of our domestic service refuge this Christmas.

£50 a basic sleeping bag, roll mat and tent for a rough sleeper.

£100 could provide a Christmas meal to the clients staying at our supported housing.
